I agree that a Separate cadre for Chief officers would be a good arrangement. The question for consideration is, how this cadre is to be organised and from what officers recruitment should be made. At present Chief officers are selected from the list of Shirastadars on the Amildari list. In this list Heads of Offices of the Rev Deptt Secretariat are included. The drawback here is that when chances come up in the Amildari grade, Chief officers are sometimes disturbed hence they have put in a sufficient period of work on the whole. If a Separate Cadre is formed, it may be considered whether a Separate Shirastadari list may be maintained. In this case, it may be examined as to what class of officers may be brought on this list and what qualifications may be prescribed for them. Perhaps officers of Asst Supdts, Sub-Treasury officers of McCW who have been connected with Mamlatdars and Exec Subordinates of the Rev branches of the Collectorate may be

ow a special aptitude for this kind of work may be cluded in the cadre.

The only municipalities who have chief Officers on a y less than Rs.100 are Chennapatna and Holenarasipur. e lo est pay of the Chief Officer may therefore be ed at Rs.100 per mensem including conveyance allowance in Mandya and Nanjangud. Under this arrangement, the y place where the Chief Officer's pay is increased will be Chennapatna, where it is now Rs.50 +

Varying rates of conveyance allowance are paid, ranging m Rs. 5 in Serangapatam to Rs.35 in Davangere. This be altogether abolished and merged in the pay. The imum salary now being received in Davangere is Rs. + Rs.35 = Rs.160.

The grade of Chief Officers may be fixed at Rs.100-0.

A special local allowance may perhaps be paid in ngere, Shimoga and Tumkur.

Subject.—

Formation of a separate cadre of officers for appointment as Chief Officers and Assessing Officers in Municipalities.

The Revenue Commissioner brought to the notice of Government that the present practice of posting officers from the Amildari cadre to Municipalities as Chief Officers and Assessing Officers was found inconvenient and was not generally in the best interests of the Revenue Department He stated that the officers so transferred would not be in touch with rural development and other important work of the Revenue Department and that it would eventually affect their work as revenue officers. He further reports that in view of some of the best Amildars being employed in Municipalities, considerable difficulty was experienced in selecting suitable men for being posted to the important taluks The Revenue Commissioner therefore suggested the formation of a separate cadre of officers for appointment in Municipalities as Chief Officers and Assessing Officers

The question was examined in detail in consultation with the Revenue Commissioner, the Chief Engineer and the Director of Public Health It was also placed before the Standing Committee for Local Self Government, etc at the meeting held on 2nd April 1938 and in accordance with the decisions arrived thereat, it is proposed to prepare and maintain a separate list of candidates eligible for appointment as Chief Officers and Assessing Officers from the officials of the marginally noted services, drawing a pay of not less than Rs 60 per mensem It is proposed to have two grades of Chief Officer and Assessing Officers, officers of the I grade on a pay of Rs 100-5-125 being employed in

(1) Revenue Department	Revenue Inspectors and Taluk Sheristedars
(2) Public Health Department	Sanitary Inspectors
(3) Public Works Dept	Overseers and Sub Overseers
(4) General and Revenue Secretariat	First Division and Second Division clerks
(5) City and Town Municipalities	
(6) District Boards	

Municipalities with an income of and above Rs.50,000 per annum and officers of the II grade on a pay of Rs.80-4-100 in Municipalities with an income below the said limit

The Dewan and the First Member of Council have agreed to the above proposals and I solicit the gracious approval of His Highness thereto.

The G.O. under advertence

involving considerable financial

not asked this G.O. to be

of the several financial implications
(creation of new grades etc), but
perhaps because the expenses are
met by the local bodies. But
he wants communication through

Malleshaiya, acting Deputy Amildar, and A Sundaram Mudaliar, Amildar, as Revenue Officer of Mysore City Municipality and as Secretary of the Land Mortgage Bank respectively, for a period of two years and to state as follows:-

2. Mr Malleshaiya joined duty in Mysore Municipality on 14-11-1935. He was subsequently appointed to act as Amildar and seconded as such while O O D in the Municipality (Vide Notification No R.3035/L.R.11-35-93 dated 9-11-1935) The period of loan of his services to the Municipality expires on 14-11-1937 Mr Sundaram Mudliar's term in Land Mortgage Bank expires on 14-12-1937 If these Officers be continued longer than 2 years on other duty, they will lose touch with rural development and other important work of the Revenue Department and that will eventually affect their efficiency as Revenue Officers In their own interests and in the interest of work in the Revenue Department, it is desirable to withdraw them at the end of two years and post suitable substitutes in their places. In these circumstances I request that orders of Government may be obtained to revert these two Officers to the Revenue Department after they have put in the term of two years I recommend that any of the following Officers may be appointed to take their

their places:-

1. Mr. Abdul Majeed, acting Amildar, Gundlupet Taluk.

2. Mr. S.A. Gani, acting Amildar, Malur Taluk.

To

Local Self Government Department,

SIR,

With reference to Government Order No L 1963-67/M1 33-36-11 dated 31st March 1937 sanctioning the appointment of Mr.P. Narayana Iyer, Sanitary Inspector, Madhugiri Range, as Chief Officer of the Mandya Town Municipality, provisionally, I have the honour to state that the Deputy Commissioner, Mysore, has stated as follows in the confidential report on the character and work of Mr Narayana Iyer for the year 1936-37 :-

"During my inspection, I did not find his work to be satisfactory I do not think he is quite suitable for the present post specially in a growing town like Mandya House tax collections were very poor and he has been given time till the end of September 1937 to show improvement in his work In his own interest, it is better to change him He is slow and has not the driving force in him nor the executive capacity He commands very little respect and confidence of the public"

2. The Deputy Commissioner who was requested to forward a special report about this officer, has reported in his D.O. letter No T.C.30/37-38 dated 20th September 1937 (copy enclosed) after inspecting his work that Mr. Narayana Iyer has neither the ability nor the capacity to manage the Municipal affairs, that he is rather timid and not quite the right man for a place like Mandya He requests that a strong Chief Officer may be posted to manage the Municipality tactfully and Mr Narayana Iyer transferred to another less important Municipality, if he is not to be reverted to the original place as Sanitary Inspector As the Deputy Commissioner is of opinion that he is not cut out for Municipal work, his posting

to any other Municipality would be, detrimental to the work of the Municipality. In the foregoing circumstances, I recommend that Mr. Narayana Iyer may be reverted to his permanent place as Sanitary Inspector.

3. I suggest the following arrangements -

(1) Mr Venkatakrishna Jetti, Chief Officer, Seringapatam Municipality may be transferred as Chief Officer of Mandya Town Municipality. He is a very capable executive Officer and may do well at Mandya.

(2) Mr. S.N. Subrahmanyam B.A. Manager, Municipal Office, Mysore, may be appointed as Chief Officer of Seringapatam Town Municipality on Rs. 100/- per mensem. He has experience of Municipal work both ministerial and executive and one of his representations for appointment as Chief Officer of Town Municipalities, has been forwarded to this office vide Development Secretary's letter No.L.6856/M1. 13-35-70 dated 9th March 1936.

4. I request that early orders of Government may be obtained to the above proposals.

I have the honour to be,

S i r,

Your most obedient servant,

Revenue Commissioner.

D.O Letter No T C 30/37-38 dated 20th September 1937 from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore, Bangalore

With reference to your D O letter No C 1182/37-38 dated the 10th September 1937 asking me to send a special report regarding the work of Mr Narayana Iyer, Chief Officer, Mandya Municipality, at the end of this month, I write to state that I inspected some of the registers of the Municipality yesterday

The arrears under assessed taxes amounted to Rs 3,008-11-7 as on 1st July 1937 The salwar details are as follows -

Arrears on 1st July 1937 under assessed taxes

	Rs	A	P
1933-34	206	1	2
1934-35	415	11	3
1935-36	280	4	4
1936-37	2,106	10	10
Total	3,008	11	7

The demand for the half year is taken at Rs 3,772-14-0 making a total of Rs 6,781-9-7 for collection Out of this a sum of Rs 320-14-6 has been collected during July, Rs 117-15-0 in August and Rs 147-13-0 up to the 20th of this month, making in all Rs 586-0-6 No bills were presented in July Seventeen distraint warrants were pending with the Chief Officer unexecuted, some of them having been issued so far back as 13th June 1937

Mr Narayana Iyer has neither the ability nor the capacity to manage the Municipal Office or to recover dues from the people He is rather timid and in my opinion not quite the right man for a place like Mandya which is developing rapidly Unless there is a strong Chief Officer who could tactfully manage Municipal affairs much progress cannot be made The President with his other revenue and land acquisition work cannot attend to details and has necessarily to depend upon his Chief Officer for getting the Municipal work done I therefore request that Mr Narayana Iyer may be transferred from this Municipality to another less important one if he is not to be reverted to his original place I am further of opinion that he is not cut out for this kind of work

Please see my D.O. letter No C 1272/37-38 dated 6th October 1937 in the matter of posting a competent Amildar to Kadur Taluk Some of our best Amildars have been employed in Municipalities and they have to put in a prescribed term of service in the Municipality before they can be reverted I have only recently posted to Mysore, Mandya, Chennapatna, Maddur and Krishnarajanagar Taluks, which are all important Taluks, some of our capable Amildars and there is none left Owing to the large number of appointments recently made in the grade of Amildars, most of the Taluk charges are now held by men who, are still inexperienced In the foregoing circumstances, the task of selecting suitable men having regard to the needs and requirements of particular Taluks has been rendered difficult

2) I have suggested in my letter No C 1316/37-38 dated the 21st September 1937 addressed to the Secretary to Government, Local Self Government Department, that Messrs M Malleshayya and A Sundaram Mudaliar, who are now on other duty in the Mysore City Municipality and Land Mortgage Bank respectively may be reverted to the Revenue Department after they have put in the term of two years I request that very early orders of Government may be obtained on this recommendation so that I may post them to important Taluk charges

3) In the interest of the Amildari Service I would suggest that the question of having a separate cadre of Officers for appointment in Municipalities and Banks etc, may be considered

Under Section 234-A of the City Municipalities Act and 209-A of the Town Municipalities Act, Government may appoint a chief officer in a City or Town Municipal

At present Chief Officers have been employed in the following Municipalities on different scales of pay as noted against each:-

1. Channapatna	..	Rs.50-15
2. Chickballapur	..	Rs.100-25
3. Tumkur	..	"100-25
4. Mandya	..	"100
5. Seringapatam	..	"100- 5
6. Nanjangud	..	"100-25
~~7. Holenarasipur~~	~~..~~	~~" 90-15~~
8. Chickmagalur	..	"100-25
9. Shimoga	..	"100-25
10. Davangere	..	"125-35

It will therefore be seen that the scales of pay of chief officers are not uniform.

Besides chief officers, Assessing Officers are also being employed in Municipalities for the revision of assessment on buildings and lands.

It is considered necessary to form a separate cadre for chief officers and Assessing Officers and to have two grades for these officers. The draft of a Government Order embodying these proposals is put up for the opinion of the Standing Committee.

---

Sir,

With reference to your letter No L 7208-10/M1 166-37-1 dated the 21th February 1938, I have the honour to state that the draft orders seem suitable.

2. I would like to suggest that a Conveyance Allowance is - - necessary for all Officers in the interest of the efficient management of the charge, which requires frequent moving within the - - Municipal limits It would not be suitable to give a consolidated pay, inclusive of Conveyance Allowance

3. The Overseers of the Public Works Department are in a grade of Rs 80-5-125 plus Rs 24 Conveyance Allowance Their emoluments, as - - second grade Chief or Assessing Officers, would be considerably less than in Public Works Department Hence Surveyors, (i e , Engineering graduates, who are serving as Lower Subordinates in the Public Works Department) would be more suitable, (instead of Overseers) for the Municipalities.

I have the honour to be,
Sir,
